## Narrative

**What was the crew doing?** (Describe in a few sentences)

  
  
  
  
  
  
  
  
  
  

**What did you see that could be improved?** (Ex: workers without proper PPE, or unsafe lifting practices, poor vehicle placement, failure to use warning devices)

  
  
  
  
  
  
  
  
  
  

**What did you see that should be complimented?** (Ex: cones in place, spotter used during backing, seat belt use, wore gloves)

  
  
  
  
  
  
  
  
  
  

**Follow up action:** (Ex: What SOG changes may be considered? Any new equipment needed?)
